Dear Families of Incoming Preschool Children,

As we look ahead to our 2020-2021 school year, the preschool enrollment process is underway at Erving Elementary School.

The completed registration packet is **due back to the school by March 11, 2020**. If you have a healthcare appointment scheduled for your child after this date, please contact the school and speak with the school nurse, Gail Dubreuil.

In September, the staff will screen all incoming kindergarten students. A letter will be sent to you in the summer letting you know the screening schedule for your child. The screening will take about an hour and parents will wait in the conference room.

We look forward to having your child as a member of our preschool class. I'm sure that they will enjoy preschool next fall. If you have any further questions, please do not hesitate to contact me at bailey@erving.com or the school at (413) 423-3326.

Sincerely,

Mackensey Bailey
Early Childhood Coordinator
